```
library(devtools); # devtools is required for function source_url() to work ...
my.source = 'github';
github.path = "https://raw.githubusercontent.com/MonteShaffer/WSU_STATS419_FALL2020/";
source_url( paste0(github.path,"master/functions/libraries.R") );
source_url( paste0(github.path,"master/functions/functions-imdb.R") );
```

Malcolm Gladwell¹ talks about outliers [1].

Shaffer [3] has a dissertation.

We would like to thank Miller [2] for the hints to create our own template...

¹Comb your hair, man!
